EXPERIENCE

"Souls of Savannah" - SCAD x Kronos Media FX Artist

Remote

June 2026 - August 2026

- Received department approval to work on a collaborative project with the VFX, Animation and Film departments at SCAD.
- Working with a team to create pyro and RBD sims in Houdini for a horror anthology show.

SCADpro x Netflix Researcher, 3D Co-Lead

Savannah, Georgia

January 2026 - March 2026

- Worked in a 23-person team to develop a deliverable for Netflix.
- Worked with Netflix to create a pitch-to-play journey of a cloud title appealing to internal and external stakeholders.
- Co-managed the 3D Design team to create 3D visuals in Blender to improve modularity of the pitch deck and improve visual quality, as well as creating custom 3D models and renders.

SCADpro x Deloitte UX Researcher

Savannah, Georgia

March 2025 - May 2025

- Worked on a SCADpro collaboration with Deloitte to build on inclusive federal applications for an aging population.
- Conducted an in-depth analysis on the UI functionality of government websites.
- Collaborated with an 18-person team to create a deliverable for Deloitte.

SCAD Animation Studios - "Inkwashed" Look development, FX for pre-vis

Savannah, Georgia

March 2025 - April 2025

- Volunteered to help the VFX team of Inkwashed for the pre-vis process.
- Developed a destruction sim in Blender for a bridge destruction sequence.
- Coordinated with the team and worked with a strict deadline

Quantstac Inc. Intern

Bangalore, India

June 2024 - August 2024

- Summer internship with start-up Quantstac Inc.
- Created video edits to feed into their proprietary AI training module.
- Integrated video sequences into the company's ComfyUI pipeline.
